For more information visit www.priceindustries.com/contact/product-support
Custom woodgrain, marble, granite and other custom finishes are available. Contact wpgquotes@priceindustries.com for availability, pricing and lead times for in stock and special order options. Due to the nature of wood grain, both color and grain pattern(s) may differ slightly than what is shown above, and may also differ slightly from actual samples provided.
QUALITY

Price Powder Coat Technology is markedly superior to the Electrodeposition (E-Coat) system used by most Air Distribution Manufacturers and provides an extremely durable finish that is resistant to scratching, corrosion, and rough handling.

POWDER COAT

+ Finishes have been tested to the latest applicable ASTM standards for durability and resistance to degradation from hospital grade cleaning solutions.
+ All finishes are colorfast (non-yellowing) and very durable.
+ Price Industries is the only GRD manufacturer whose paint finish surpasses a 1000-hour salt spray test.

ANTIMICROBIAL ADDITIVE

+ This additive can be added to any of our standard powder colors and will prevent the growth of microorganisms on any painted surface.
Product Improvement is a continuing endeavour at Price. Therefore, specifications are subject to change without notice. Consult your Price Sales Representative for current specifications or more detailed information. Not all products may be available in all geographic areas. All goods described in this document are warranted as described in the Limited Warranty shown at priceindustries.com. The complete Price product catalog can be viewed online at priceindustries.com.
