JOIN US FOR A DISCUSSION ON

RADIANT HEATING AND COOLING

AN EFFECTIVE SOLUTION FOR ARCHITECTS AND ENGINEERS

Price is pleased to invite you to a 1 hour CPD accredited lunchtime presentation, taking place right in your office! This educational seminar is designed to keep building design professionals informed on the latest radiant technology and applications, including Weave radiant textile panels, developed by Price Industries and Kvadrat Soft Cells, which feature patented textile technology to allow transmission of thermal radiation through a textile face.

PRESENTATION TOPICS:

- + Radiant panel fundamentals
- + Benefits of radiant systems
- + Application guidance
- + Dewpoint and humidity controls
- + Panel and circuit layouts
- + EN 14037 testing
