WALL MOUNTED RECTANGULAR CORNER DIFFUSER

INSTALLATION INSTRUCTIONS

FIGURE 1 ▼

1. Fasten the mounting plate (Item 2) to the wall at the specified distance above the floor (Table 1, Figure 1 and Figure 2 for reference).
2. Ensure that the corresponding knock-outs have been removed from the rear of the diffuser.
3. Orient the diffuser such that the inlet is in line with the duct connection and the knock-outs line up with the mounting plate (Figure 1). Slide the diffuser onto the wall mounting plate and gently push down on the diffuser to lock into place (Figure 2).

Optional base cover installation:

1. Align the base with the legs (Figure B1).
2. Slide the base against the legs (Figure B2) and snap the fasteners into place as shown (Figure B3).
